

Stratford Police Department News Release

FROM: Stratford Police Department
RE: 2014 DUI Enforcement Program
DATE: March 12, 2014

The Stratford Police Department is participating in the 2014 Comprehensive DUI Enforcement program. This program enables us to conduct roadside sobriety checkpoints as well as increase the number patrol units dedicated specifically to reduction of impaired driving, and to reduce the number of injuries and fatalities that they can cause. We continually try to educate the community on the dangers of impaired driving which is the primary objective of increased patrol presence and sobriety checkpoints. We will be conducting roadside sobriety checkpoints and increased patrols for impaired driving enforcement throughout this weekend and will continue through the spring. A sobriety checkpoint is scheduled for Saturday March 15, 2014.

So, have a safe St. Patrick's Day weekend and remember,

PLEASE DO NOT DRINK AND DRIVE.
